

**KRUD KUTTER® PRO
LOW FOAM FLOOR CLEANER**

DESCRIPTION AND USES

Krud Kutter® Pro Heavy Duty Low Foam Floor Cleaner is a professional strength formula designed to clean industrial floors found in manufacturing facilities, waste management facilities, transportation maintenance facilities, warehouses and other industrial settings. The low foam formula is ideal for removing tough dirt, salt, grease and grime commonly found on industrial floors. This highly effective detergent cleans and brightens floors, leaving behind a subtle, crisp lemon scent.

Product can be used manually or with an auto-scrubber machine. Safe and effective on a variety of surfaces including concrete, ceramic tile, quarry tile, stainless steel and steel.
